**OF THE NW CONSTRUCTION'S 2003 TOP PROJECT LIST*
WERE AWARDED TO ONE OR MORE OF OUR CONTRACTORS.**

HERE'S WHY:

We've proved ourselves at the job site. Which is why so many general contractors and building owners have awarded us their projects when it comes to installing glass, laying floor covering and painting various surfaces. Fact is, our worker productivity, training, apprenticeship programs and safety record are second to none. We're the Mt. Hood Glass Association, Signatory Floor Covering Contractors and Signatory Painting Contractors of Painter's District Council 5. For a contractor list, call 503-972-3456 or toll-free 1-866-2-FINISH. Or visit our website at www.finishingtrades.org.

*It's who you
