

The pressure is on you.

# Is your project on track?

**PAINT**

**GLASS**

**FLOOR COVERING**

**Y**ou need “yes” for an answer. We understand. That’s why general contractors, project managers and property owners hire our contractor members to install the glass, lay the floor covering and paint the surfaces in thousands of new and existing buildings in the Northwest. Our apprenticeship, training, safety programs and worker productivity are second to none. Because, yes, that’s what it takes to get the job done on time and on budget.

We are the Mt. Hood Glass Association, Signatory Floor Covering Contractors and the Signatory Painting Contractors of Painters’ District Council 5. We are three union contractor associations with one answer: YES.

*It's who you choose to finish the job.*
