

## How to ensure your property is kept to the highest standards.

If you're a commercial real estate professional who values property excellence, you only work with a certain caliber of contractor. Our outstanding workmanship in coatings, floor coverings and glass applications — from the extremely difficult to the simple — brings us to highly-regarded commercial properties throughout the Northwest. That's because our worker productivity, training, apprenticeship and safety record are second to none. We install the glass, lay the floor covering and paint the surfaces in thousands of buildings and structures. We're the Mt. Hood Glass Association, Signatory

Floor Covering Contractors and Signatory Painting Contractors of Painter's District Council 5. For a list of our high caliber contractors, please call 503-972-3456 or toll-free 1-866-2-FINISH. Or visit our website at [www.finishingtrades.org](http://www.finishingtrades.org).

*It's who you choose to finish the job.*

For more information, call 503-972-3456, toll-free 1-866-2-FINISH or go to our website at [www.finishingtrades.org](http://www.finishingtrades.org)
